### 25th Anniversary Celebrated

Last Saturday at Calgary, the Warden and McLeod families gathered at the home of Miss Frances Warden to celebrate the 25th wedding anniversary of Mr. and Mrs. Gordon Gardner of Vulcan.

During the evening a buffet supper was served to 42 guests, comprising four generations. The table was taper-lit and centred by a beautifully decorated, heart-shaped wedding cake.

A family presentation of a set of initialled silverware was made to the wedding couple. Later, Barbara Budd sang "At Dawning," the selection sung by Bill Weale at the Gardner-Warden wedding.

In addition to the hostess, Miss Frances Warden, those present included Ralph, Bernice and Connie Gardner; Len and Eva McDougall and son, Peter; Hughena Rosema and the Allan Christensens, all of Calgary. Those from other points were: the Gordon Gardner, Naaman Budd and Warden Budd families of Vulcan; the Robert, Ralph and Cecil Warden families of Edmonton; the Donald McLeods of Blackfalds; and Mr. and Mrs. Len Warden and family, who are soon moving to Saskatoon.

A surprise "Come and Go" tea was held at the home of Mr. and Mrs. Gordon Gardner on Sunday, Nov. 25, in honor of the Gardner's 25th wedding anniversary. District relatives and church friends and neighbors attended and presented the honored couple with many beautiful gifts and a silver-dollar shower.

## Vulcan Teams Win At Cayley

On Friday, Nov. 30, the Royals and Royalties were hosts in the Cayley gym. Both Vulcan teams were successful. The girls' score was 15-10 and the boys' was 63-24.

Top scorer on the Vulcan girls' team was Delores Doane with five points and for Cayley it was Judy Lyon.

The score was never very close in the boys' game. Top scorer for Cayley was Sergio DePoli followed by Jim Curran and Ross Edey who each scored eight points. On the Vulcan team Doug Graham topped 26 points while Garry Hiltz netted 12 points.

The next game in the Foothills League will be played on Dec. 7, when Blackie visits Vulcan.

### Intramural Volleyball

Over 150 students have been participating in intramural volleyball at Vulcan High within the last two months. Sixteen teams have been competing for top honors in the noon-hour games.

The team under captain Fred Bexte is at the top of the list with one loss, one tie and four wins. Members of that team are Bev Uily, Carol McNiven, Donna Williams, David Puzey, Bob Cockwell, Greg Lever, Tommy Williams and Bill Tompkins.

Four teams presently tied for

## HIGHLIGHTS OF LIONS CLUBS ACTIVITIES

The Champion Lions Turkey Shoot was a great success again this year, due to the large turnout.

Everyone in the district is invited to put out all their Christmas lights and decorations this year. The Lions Club will be donating three prizes for the best decorated houses in town and country.

The town park has been taken over by the local Lions, who will endeavor to improve and keep it in tip-top shape for the enjoyment of children and adults alike.

### MOSSLEIGH—

Canvassing for the CNIB is about completed for this district. Awards will be presented in the near future to Grade IX and XII, grain club and beef club winners. Sufficient snowplow is to be bought and put up for protection of the local skating rink.

### CARMANGAY—

The Carmangay Lions Club Carnival was a success with a total of \$1,208.85 raised in net funds. The Turkey Shoot, sponsored by the club to help youth groups in Carmangay had a net profit of \$217. This year the Lions will be giving prizes for the best decorated town house and the best decorated country house. The Lion members, with the help of the town will be responsible for the operation of the skating rink.

### ARROWWOOD—

The Arrowwood Lions Club held a very successful Charter Night with 110 Lions and guests in attendance. Visiting Lions were from Foremost, Lethbridge, Torrington and Calgary as well as all the clubs in the zone.

It was decided at the last meeting to assist the Booster Club with a prize for the best decorated home in town or country at Christmas time.

A motion was passed to sponsor a basketball team to enable the high school students of this district who are attending the Vulcan school to have a better opportunity to take part in this sport.

The annual Christmas party which is sponsored by the Lions will be held in the community hall Dec. 22.

Lions Loren King, Stu Hays, Leigh Williams, George Roberts, Fen Oakes and Bob Seely paid a visit to the Torrington Lions Club on Nov. 19. The president, Ray Helm, is a former vice-president of the Arrowwood Club.

## Open House On Anniversary

Monday, Nov. 26th was a memorable day for Mr. and Mrs. Arie Vooy of Calgary as their daughter, Mrs. Stanley Godkin held open house for them on their 60th wedding anniversary. Mr. and Mrs. Vooy were married Nov. 26th, 1902, in Spokane, Wash., and lived there until 1920 when they moved to the Majorville district where they farmed and ranched, taking an active part in local affairs until retiring in 1948.

They moved first to Vancouver where they lived until 1958 returning then to make their home in Calgary where they now reside. Their marriage was blessed with five children, Arie and Raymond who live in the States and Leonard, Gilbert and Mrs. Stanley Godkin who live in the Majorville district. They have 12 grandchildren and 11 great grandchildren.

Congratulatory messages were received from their many friends all across Canada and from over 100 guests from the Milo, Queens-town, Vulcan, Bassano, Gem and Arrowwood district who called during the afternoon and evening. Among the messages were letters from Premier Bennett of B.C., Premier Manning, Prime Minister Diefenbaker, Lieutenant Governor J. Percy Page, Doug Harkness, M.P., Lawrence Kindt, M.P., Mayor Harry Hays and Her Majesty Queen Elizabeth.

Mrs. Leonard Vooy, Mrs. Gilbert Vooy and Mrs. Ken Vooy assisted the hostess in receiving the guests and several of the local ladies helped serve a delicious tea.

The very best wishes of the district go out to this fine couple on this happy occasion.

### SULPHUR PRODUCTION

Production of sulphur in Alberta could increase to 1,800,000 tons a year if cheaper freight rates could be provided. Pipe line transportation is being considered, moving the sulphur in solution. Canada could then become the world's second largest sulphur producer.

## Services Held For T. H. Hampton At Church of Christ

Services were held at the Vulcan Church of Christ on Monday, Dec. 3, 1962, for James H. Hampton, 79, who died at Turner Valley on Thursday, Nov. 29. Rev. R. J. Pelham officiated.

Born at Joplin, Missouri, Mr. Hampton came to the Vulcan district in 1908 and in 1937 moved to High River. He had lived at Turner Valley since 1950. He was a former member of Samaritan Lodge, IOOF, Vulcan.

Besides his wife, Gertrude, he is survived by one son, Howard, Turner Valley; one daughter, Mrs. Beulah Olsen, San Jose, Calif.; and three grandchildren.

Vulcan Funeral Home was in charge of arrangements and interment was in the Vulcan cemetery. Active pall bearers were Clarence Johnk, Roy Adams, Elwood Myers, Earl Erickson, Ray Beckner and George Seaman. Honorary pall bearers were Roy Haggins, Gus Johnk, Lorne Healy, Jack Crick, Everett McPherson and John Nichols.

## Shower Honors Judy Palmer

Thirty-three friends of Mrs. William Carroll, nee Miss Judy Palmer, gathered at the Dann home on November 14 when Mrs. Walter Dann and Mrs. Walter Mix were joint hostesses at a miscellaneous shower.

To start the evening, an interesting contest was conducted by Mrs. Walter Mix. Before seating the bridal party at their table Mrs. Dann presented each one with a corsage.

Miss Marie Darr, on behalf of the guests, presented Judy with a basket loaded with lovely gifts for her new home. She was assisted in opening the gifts by her mother, Mrs. Louis Palmer, and her grandmother, Mrs. Roy Adam. Her aunt, Mrs. Peter Silbernagel, took care of listing the gifts. Judy very graciously thanked all the ladies and invited them to visit her in her new home.

Lunch was served by the hostesses, assisted by Mrs. Howard Marshman, Mrs. Bennie Dann and Mrs. Buster Armstrong.

## H. School Plans Carol Festival

A Christmas Carol Festival is being planned for Dec. 20, in the High School Auditorium. Local and district choirs and choruses are invited to contribute one or two numbers, or to enter a soloist. There will also be some carols designated for audience participation.

The Carol Festival is being organized by the High School Music 10 Glee Club class. Would any group interested in entering please contact Carolyn Haga, club secretary, Mrs. V. M. Johnson or J. Olmstead.

You are never so near to victory as when defeated in a good cause.

### 28 Men's Rinks

## Increased Interest Seen As Curling Season Begins

Vernel Haga, Vulcan Curling Club president, was very happy last week when the final tally of this year's curlers was counted and a total of 28 men's rinks were registered. This is an increase of six rinks over last year and Vernel is of the opinion that curling is due for a rejuvenation of interest for the next few years, as, after all, it is now a five-month recreational period for anyone wishing for a little exercise, or a bit of relaxation from the toils of labor.

The Ladies' Curling Club also reports a slight increase with a club in operation in the afternoons and another with evening curling only. The transfer of the curling area to the south three sheets has also met with unanimous approval of all curlers and the ice is reported to be in excellent condition,

From atop the National elevator, Vulcan took on the above appearance back in the years 1912-13. Lowell Granlin who came to Vulcan in 1912, found this shot while rummaging through drawers and it reveals an age when livery stables, lumber yards, and restaurants were the mark of a town's progress.

In the foreground are two ele-

vator homes now occupied by the Bomford and Robertson families while the white fence houses the old Co-op Lumber yard, now modernized and under Revelstoke ownership. The centre of business seemed to be on the street north of what is presently accepted as main street and along it were the Dodd's Livery Stable, Shimp's rooming house, the shop of C. J.

Collier and another livery stable. A bowling alley at the corner burned during the war and the livery stable of Roy Ferguson was victim of the cyclone in 1927.

The present hotel was on the scene as was the bank building, then, as now, the Bank of Commerce, while almost out on the prairie was the old fire hall.

## Town Appoints New Municipal Library Board

The town library is now operating as the Vulcan Municipal Library and, as required under the Library Act, a new library board has been appointed by the town council.

Chairman of the board is Mayor M. R. Morrison, with R. L. Jamison as secretary and Stanley Scales, E. G. McPherson and Mrs. E. L. Henry as members. Mrs. Henry will continue as librarian.

The library is now financed by a government grant of 35 cents per capita, which is matched by a Town of Vulcan grant of 50 cents per capita and one of the immediate objectives will be the proper furnishing of the building; specifically the provision of adequate shelf space and desks and the laying of a tile floor.

Library hours will be 2 to 5 p.m. on Tuesdays, 4 to 5 p.m. Thursdays and Fridays, and 2 to 5 and 7 to 9 p.m. on Saturdays. During the Christmas and New Year's weeks, the library will be open 2 to 5 on Mondays rather than on Tuesdays.

The board has expressed its appreciation to the organizations on which it has depended so much in the past for financial contributions which enabled the library to keep operating. Donations and other support from such organizations will still be very acceptable and will help the library to offer and maintain a high standard of service.

### Restricted!

Two dogs met on the street and were having a chat.

"You seem unduly depressed," said one. "Why don't you go see a psychiatrist?"

"You know good and well," the other answered, "that I'm not allowed on the couch."

### Decision At Next Meeting

## County Councillors Give Thought To Road Paving

At the regular County of Vulcan council meeting on Nov. 23, H. C. Duguid, District Engineer was present at the invitation of the council to discuss the new ruling by the Department of Highways that road construction contingency grants could be used for paving providing the municipality contributes 25 per cent of the cost.

Mr. Duguid provided figures showing the approximate costs of such hard surfacing and stated that any surfacing work done under contingency grant would be done by the Department of Highways road construction crews. After discussion and consideration of county roads that could be surfaced and the amount of work that could be done in a year, the councillors decided that any decision would be deferred until the next meeting.

A report on the new Local Authorities Pension Act was given to the council and it was noted that each local authority made application on a voluntary basis to bring employees under the Act. Council decided to review the classes of employees eligible and to make application to the Local Authorities Pension Board and the Public Service Pension Board to bring employees under the operation of the Act.

It was moved and carried that the annual meeting of ratepayers of the County be held in the Vulcan High School Auditorium on Saturday, Feb. 16, 1963, at 1:00 p.m.

At the school committee meeting, held Nov. 19, a delegation from the Interested Parents Association of the Vulcan Elementary School interviewed the committee with respect to what was considered a crowding situation at the Grade 1 level. It was pointed out that two Grade 1 teachers were teaching 72 children and the delegation felt that an extra teacher should be engaged. The delegation was told that, while the Committee did feel the situation could be improved upon, the teachers and the pupils were not suffering due to any over-crowding. The Committee felt that the two primary teachers were better than average instructors and were handling their classes very well and that therefore no action would be taken until next year when different circumstances might exist.

Watson, Neal Dumka, Bud Haverty and Vic Rushfeldt. The first two games were split with Wellman winning the opener 9-5 and Watson coming back with an 8-4 decision in the second contest. The next playoff is the District play-downs at Banff next Sunday, Dec. 9.

## J. Jensen Takes Position At Hythe

Mr. and Mrs. Jim Jensen and family were honored at a farewell party on Thursday evening in the Kirkcaldy hall prior to their departure for Hythe, Alta., where the former is employed by the U.G.G. as a grain buyer.

Bridge and whist were played by the 60 friends and relatives be-

fore lunch was served by the hostesses.

Arthur Jones presented a purse of money to the honored guests from their many friends and wished them good luck in their new home. Mr. and Mrs. Jensen thanked everyone for their kindness and extended an invitation for anyone to visit them.

One of the four Alberta men placed in the Canadian Agricultural Hall of Fame at the Royal Winter Fair was the late V. A. Crawford-Frost. Well known as one of the founders of the Angus

breed in Alberta, he started his first herd near Nanton just after the first great war. Seen with his portrait is his widow, Mrs. Crawford-Frost of Calgary.

## Notice of Preparation of Assessment Roll 1962

COUNTY OF VULCAN No. 2

Notice is hereby given that the assessment of the previous year has been adopted under the provisions of the Assessment Act and that the assessment roll of the said County has been duly prepared, and that if any person thinks that any property has been wrongfully assessed, or assessed too high, or too low, or that his name or the name of any other person has been wrongfully entered upon or omitted from the roll, he may at any time prior to the 31st day of January notify the secretary-treasurer of the County of Vulcan No. 2 at Vulcan in writing of the particulars and grounds of his complaint.

Dated at Vulcan, Alta. this 1st day of Dec., 1962.

D. D. McQUEEN,  
Secretary-Treasurer.

Five-year-old Katherine, daughter of Lord Douglas of Kirtleside, Chairman of British European Airways, and Lady Douglas, skips happily over her toy horse, after flying in Britain's brand new jet-liner, the De Havilland Trident.

When B. E. A.'s Chairman first flew in the rear, triple-engined Trident, which has been ordered by B. E. A., daughter Katherine was

not allowed to accompany her parents.

Disappointed, she wept on the airfield, but later came a consolation—she accomplished air correspondence on a flight preview from De Havilland's Hatfield aerodrome before the new short-haul jet-liner went on show at the British Aircraft Industry's display at Farnborough.

## Lomond News

**LOMOND**

Mr. and Mrs. Al Lomas and family were visitors in Lethbridge on Saturday of last week.

Mrs. Florence Hart and son Walter were visitors in Vulcan on Thursday of last week. They were supper guests at the Leonard Hart home.

Mr. and Mrs. Floyd Howg motored to Lethbridge on Saturday of last week. While there they spent a while visiting Mrs. E. J. Cameron.

Mrs. Florence Hart and son Walter and Miss Elaine Hart were shopping in Lethbridge on Saturday of last week.

Mrs. Velma Booth was a visitor in Lethbridge on Saturday of last week.

Best wishes for a speedy recovery are extended to Allan Lindsay who is a patient in the Vulcan Hospital.

Rather unusual at this time of year was the hatching out of seven chicks at the Ray Elliott farm on Saturday, Dec. 1. All are doing well to date.

Mrs. Merl Pearson is spending a week in Edmonton visiting relatives.

The Good Will Service Club are sponsoring the Community Christmas Card again this year. The card will be at Rainey's Hardware Store.

Mr. and Mrs. Bobbie Nimz and Holly returned home to Red Deer on Sunday after being visitors at the home of the latter's parents, Mr. and Mrs. L. Chase and Terry.

Terry Chase was a weekend visitor at the Ralph Richardson home at Berrywater.

Mrs. Doreen Hart and family were visitors in Vulcan one day last week. While there they were supper guests at the home of Mr. and Mrs. Leonard Hart and family.

**BIRTHDAY CLUB**

On Nov. 8, the regular meeting of the Birthday Club was held at the home of Mrs. J. Chambers, and opened by singing, "Give Yourself a Pat On the Back." Each member answering roll call was to bring a coffee mug and there were 16 members present and four guests.

The catalogues sent to the school for Retarded Children at Red Deer were most welcome. Apparently there is a great need for such things as catalogues and magazines with pictures. The report on the free bingo with bazaar showed it to be quite successful with a very pleasing turnout of people.

It was decided that the club donate to the St. John's Anglican Church for their new organ, and to the Roman Catholic Church at Travers. Discussion was held on the annual dance at Badger Lake School, and due to other activities in the district during that week after Christmas, the date was tentatively set for Dec. 26. Besides the roll call listed for December the regular Christmas gift exchange will also be held.

The president extended a welcome to the visitors and invited them to join if they wished. One of them, Mrs. F. Megella, did join. The meeting closed with the singing of "Beautiful Dreamer."

The nickel draw was won by one of the visitors, Mrs. Mary Frost. Mrs. E. Johnstone gave an amusing contest which was won by Mrs. F. Hart, consolation to Mrs. E. Lindstedt.

On lunch for cards on Nov. 24, are Mrs. Ensign, Mrs. Hamm, Mrs. Honess and Mrs. Johnson, and for Dec. 8, Mrs. E. Johnstone, Mrs. E. Lindstedt, Mrs. M. Lindstedt and Mrs. Lomas.

The hostess and her assistants served a delicious lunch to close a very pleasant afternoon.

**KAREN FRASER SHOWER**  
Miss Karen Fraser (bride-elect) was guest of honor Saturday afternoon, Dec. 1, when a number of her school chums gathered at the home of Miss Marilyn Frost and surprised her with a kitchen shower. Marilyn and Sherry Huff

were co-hostesses for the party.

The rooms were prettily decorated with pink and blue streamers. Contests were held and some very amusing songs made up and sung by the girls. The gaily wrapped gifts were carried in, in baskets and presented to Karen by Marilyn and Sherry, along with the best wishes of her many friends. One of the gifts Karen received was a recipe cabinet containing a favorite recipe from each of her chums.

Karen very fittingly thanked the girls for the gifts and the most entertaining afternoon.

A lovely lunch was then served to conclude the festivities.

**HOME & SCHOOL ASSOCIATION**

The November meeting of the Lomond Home and School Association was held on Nov. 15, at the school. The meeting was opened with the reading of the creed.

Business included the setting up of a committee to prepare candy bags to be distributed at Christmas. Discussion was held as to whether the Home and School would list to "Farm Forum" broadcasts this year. No definite decision was reached. A short discussion followed concerning the scholarships given to high school students.

The program consisted of an excellent panel discussion; the panel members being Magistrate W. Shields, D. Andrews, R. Frost and Pastor W. Berg with M. Liebreich acting as moderator. The questions of the law, church, school and home. This proved to be very interesting and informative. Lunch and a social period ended the meeting.

### Pipeline Experiment Seeks To Transport Solids

A demonstration of the feasibility of pipeline in capsule form was recently carried out through a 65 mile, 8 inch diameter pipeline between Sundre and Rimbey. Scientists at the research council have been studying this form of pipeline transport in the laboratory for several years. The practical test was successful. Seven capsules, varying in density from 1 to 2.3 times that of

water, were transmitted through the pipeline by water. They travelled at an average speed of slightly over two miles per hour. Speed was governed by the relatively low water pressure in the pipe.

The leading capsule, which was a cylinder of reinforced plastic weighing 21½ pounds, contained a quantity of radioisotope in order that its position can be determined en route by means of geiger counters.

Following the leading capsule were two hollow aluminum cylinders, each weighing 29 pounds,

followed by two 3½ pound rubber spheres and two hollow steel cylinders, the last of which weighed 51 pounds and contained a radioisotope. The entire "convoy" extended an estimated nine miles in the pipeline.

The capsules were injected into the pipeline by a bypass system. At the ejection point a reverse procedure was used to recover the capsules.

The project was planned primarily as a demonstration of the feasibility of the technique.

Other offices are to be filled at the December meeting.

Bachelor Christmas boxes are also to be filled at the December meeting which is to be held at the home of Mrs. David Randle one week early, because of the festive season.

#### 25th WEDDING ANNIVERSARY

Mr. and Mrs. Gordon Layercraft held open house on Saturday, Dec. 1, on the occasion of their Silver Wedding Anniversary. About 150 of their friends gathered at the hall for an evening of dancing to the music of Frank and Jack Thurber, Frank Lewis and Lorne MacIntosh. John Webb was M.C.

Highlight of the evening was a humorous "mock wedding" skit which was narrated by John Green and the principals being the same people as at Joan and Gordon's wedding, with Ronnie Bird as best man and Gordon's sister Edna and Joan's sister Edith as bridesmaids. Frank McNiven acted as the reverend who performed the ceremony.

On behalf of those present, John Green presented the honored couple with a purse and wished them at least 25 more years of happy marriage.

He: "If you don't marry me, I'll commit suicide."  
She: "Now, Sam, you know Pa don't want you hanging around."

#### HERRONTON FARROW

Miss Marjory Maisey is convalescing at her home following a tonsillectomy.

There was an excellent turnout at the Calgary Power Cooking School at the Dinton hall which was sponsored by the Farrow U.C.W. Mrs. Mee McLean of Blackie was the lucky winner of the Westinghouse Hairdryer donated by Calgary Power and Cindy Mason won the draw on the electric can opener which was donated by the Farrow U.C.W. Numerous other smaller prizes were also drawn for.

The terrific dust storm of Monday is still being cleaned up by local ladies, most of whom had just nicely finished house cleaning.

Mr. and Mrs. Stu Beagle and family spent the weekend in Calgary where Stu curled at the Lincoln Park Curling Club in the BOPE No. 4 Corby's eliminations for Calgary. Other members of the rink are Slim Otterson, Gerry Seamon and Rus Jackson. They came out winners over the eight-team field and now go on to Banff for further play.

Bob and Gary Beagle took in the Stampeder hockey game on Saturday night.

Mr. and Mrs. Pat Perry have moved to Calgary for the winter.

Varno Westersund has returned from a holiday spent in Florida. The November meeting of the Herronton Community Club was held at the home of Mrs. Mel Malmberg. Mrs. Wm. Switzer of High River gave a demonstration

on making Christmas ornaments and centerpieces, all of which she gave to the ladies when she completed them.

The Herronton-Mossleigh 4-H Sewing Club held a very lovely afternoon tea and bazaar on Saturday at the Herronton Hall.

Mr. and Mrs. Milt Brunskill entertained a number of their friends on Friday evening, the occasion being their 30th wedding anniversary, and the 22nd wedding anniversary of Mr. and Mrs. Stuart Beagle.

Mr. and Mrs. Don Bennett of Calgary were in the district for the weekend.

Mr. and Mrs. Den Sewell and family of Calgary were weekend visitors at the Dave Sewell home.

Mrs. Dave Sewell and Mrs. Lorne Maisey helped out at the High River Trading Closeout Sale recently.

Mrs. Viola Thurlow of High River was a weekend visitor at the Milt Brunskill home.

#### U.C.W. MEETING

It was decided to hold the Sunday School Christmas program on Sunday, Dec. 23.

Election of officers took place with the following elected: President, Mrs. Fritz Mason; vice-president, Mrs. David Randle; secretary, Mrs. Aage Pedersen; treasurer, Mrs. Robert McWilliam; Good Cheer, Mrs. Stuart Beagle.

### AN IDEAL Christmas Gift FOR DAD

Please Dad this Christmas with a copy of the new book

## "Tides in the WEST"

A WHEAT POOL STORY

If he was a pioneer, he'll relive all the trials and tribulations of growing and marketing grain in the early days. And he'll feel once more that sense of pride and achievement gained when he and his neighbors joined together to build the Alberta Wheat Pool.

If he is a younger man, he'll still want to read of the events and circumstances leading up to the pioneer farmers' decision to organize their own marketing organization and the achievements of this farm co-operative on behalf of farmers over the past four decades.

"Tides in the West" is a 400-page, hard covered book, which deserves a place on the bookshelf of every grain farmer in Alberta.

Available now in bookstores or from your local Alberta Wheat Pool agent

## Carmangay

White Gift Sunday will be held on Nov. 9 at the United Church at 11:30 AM for the children and adults. There will be no Sunday school classes at 10:30.

A community party will be held in honor of Mr. and Mrs. Roy Church's 50th Wedding Anniversary at the community hall at 8:00 PM. Everyone welcome.

19-1x  
Wind damage to the roof of the Seed Cleaning Plant amounted to approximately \$100 last week.

Mr. and Mrs. John Dreveny of Margo, Sask., visited at the home of Mr. and Mrs. John Letal last week.

The Grange Hotel is undergoing renovations.

Mr. and Mrs. Peter Kooy and children of Lethbridge visited at the home of Mr. and Mrs. Ewing recently.

A fire escape is being added to the Little Bow Hospital this week.

Mr. and Mrs. Don Fraser and son, Mrs. Helen Zosack and children and Mrs. Shirley Anderson of Midnapore visited last week at the home of Mr. and Mrs. Jim Fraser.

## NORTH PRISCILLA CLUB

The ladies of the North Priscilla Club met at the home of Ruth Dahl and was in the form of a birthday party.

A Christmas party was discussed. The club gave a silver cup to Mark Brownell. The raffle was won by Lydia Anderson.

Next meeting will be on Dec. 5, at the home of Lydia Anderson. Roll call is to be answered by bringing a home-made Christmas decoration. A Christmas exchange will also be held.

## GUILD MEETING

The regular meeting of the guild was held at the home of Mrs. W. White.

A report of the annual bazaar showed gratifying results and the ladies appreciated the patronage given them. Arrangements were made for the carol service on Dec. 23, at 7:30 p.m. and on Christmas Day there will be a service at 11:00 a.m.

An organ has been installed at the church and a fund in memory of Fred Whitmarsh has been started, to be a memorial to him. The guild will make a donation to this fund. It is expected that a member from Carmangay will attend the pageant being arranged by the Claresholm young people at the Driftwillow Ranch before Christmas. The Rev. A. Weare of Claresholm was the exchange minister at the church while Rev. D. McClintock was at High River.

There will not be a meeting of the guild in December.

## HOSPITAL AUXILIARY

Nine out of ten prescriptions written today could not have been filled only 20 years ago because the necessary drugs did not exist then, members of the Ladies Auxiliary, Carmangay, Alta. were told by Stewart Mason - Professional Medical Representative for CIBA Drug Co.

"We have made more progress in the past 20 years than was made in the preceding two thousand," he said. "In the last 20 years the pharmaceutical industry ac-

tively joined the doctors, the medical schools, the independent researchers in the search for and in the development of new medicines. These companies have become perhaps the most important source of new and powerful drugs. From this partnership came what the public called 'the Wonder drugs.'"

"The names of these drugs today have become household words. They include penicillin, aureomycin, streptomycin, the many tranquilizers and scores of other new drugs."

Although these drugs are costly to discover and develop, average prescription prices are not "too high", as is sometimes claimed. He pointed out that the average prescription cost in Canada, as reported by the Canadian Pharmaceutical Association, amounted to \$3.14.

Mr. Mason answered questions and gave valuable information to the very small audience after his lecture.

The Hospital Auxiliary thanked Mr. Mason and the Pharmaceutical Association for providing this opportunity to learn more of modern methods and modern drugs.

What does it mean to  
you — the buying public?

GOODWILL simply means that Central Garage (Vulcan) Ltd. agrees during the first 30 days or 1,000 miles (whichever may occur first) after delivery of a unit to offer a special discount on parts and labor (except tires, glass or accessories).

This GOODWILL WARRANTY is issued by General Motors Products of Canada to qualified General Motors dealers only who maintain factory trained mechanics and, in turn, install genuine GM parts where it may apply.

Each unit which is sold as a GOODWILL car or truck has been put through our shop and has been thoroughly inspected and listed so it may qualify for GOODWILL rating.

## Letters to the Editor

3rd Dec. 1962

To the Editor of The Advocate,

Dear Sir:

What has happened to the good old game of "Checkers"? There must surely be some players around Vulcan and I would very much like to get in touch with some of them to revive interest in the grand old game during this present winter season.

It's one of the finest games that has ever been invented; has no age limit and those physically handicapped can often enjoy it as much as the more fortunate. For the teen-ager and student there is plenty of concentration and planning needed before they can play a good game and it's almost impossible to beat a really good experienced player.

I am only an ordinary player myself but sure enjoy playing and am hoping to find others who feel the same way about it. We could play at one another's homes at any convenient time and thus pass many an enjoyable hour besides making new friends.

Hoping to hear from at least a few!

Sincerely yours,

C. J. Northcott,

331 1st St. N., Vulcan

Do you feel that concern in this field is futile because the parent today has no voice in the education of his child? This could be true in the future—if you withdraw your efforts now. Would you give up so easily?

Your picture of Home and School may be an erroneous one. Have you sufficient interest in education to find out what this organization really stands for and what it can do for you?

## DEFENCE

— VULCAN UNIT E.M.O. —

Must we be so vain as to be sure we can prevent another war?

Those engaged in Civil Defence fear war more than the general public because they realize that madmen or mischance may suddenly begin one.

Is there any logic or reason in the thinking of those who are deliberately planning to become casualties by doing nothing?

## Fish and Game

(Continued From Front Page)

are apparently less apt to leave a hunted area than elk and are somewhat easier to stalk.

A foot of snow has been reported this week in the Pincher Creek area and with the general snowfall in the foothills it is expected hunting should be much improved.

Hunters are reminded that the measuring of antlers will take place on Saturday afternoon, Dec. 15, at Central Garage. Also, entries for the pheasant, duck and geese trophy competition are still being accepted. These trophies are given out at the annual banquet in February.

Fish & Game membership is up this year with a total of 269 against 236 in 1961, according to Howie Marshman, membership chairman.

Another Kids' Night will be held as a part of this year's program. The unexpected response to the first such event caught officials with a hall full of enthusiastic boys and girls, and no loudspeaker system. Fish & Game men plan on a good program and more adult help for the youngsters this time.

President of the Lethbridge Fish & Game Association, Dave Hunt, spoke of the need for greater membership across the province in this sporting group. He said there are 101 locals making up 17,200 members but this year there were approximately 100,000 licences for various types of hunting sold, meaning that Fish & Game is trying to bring about better hunting conditions for many who are not doing their part.

The speaker mentioned a \$7,450 grant from the Provincial Government and a \$2,000 grant from Ducks Unlimited as part of the operating revenue of Fish & Game. He stressed the growing importance of the organization, which through its resolutions passed on to the government, have brought about an increase in the number of game officers in the field and in the number of biologists supplied by the government, as some of the results.

In his short address Joe Bala described the Southern Alberta Fish & Game Council of which he is chairman. It was formed in June of 1961 by representatives of 10 of the 17 locals in Southern Alberta and is primarily a means of these clubs with common problems, getting together and solving them to the benefit of all. He said in 1963 the province will be zoned and this will be one of them. Better representation on the provincial organization was seen by the speaker in that the Council will be able to elect its own delegates for office from this zone.

Danny Wong made a business trip to Calgary the forepart of the week.

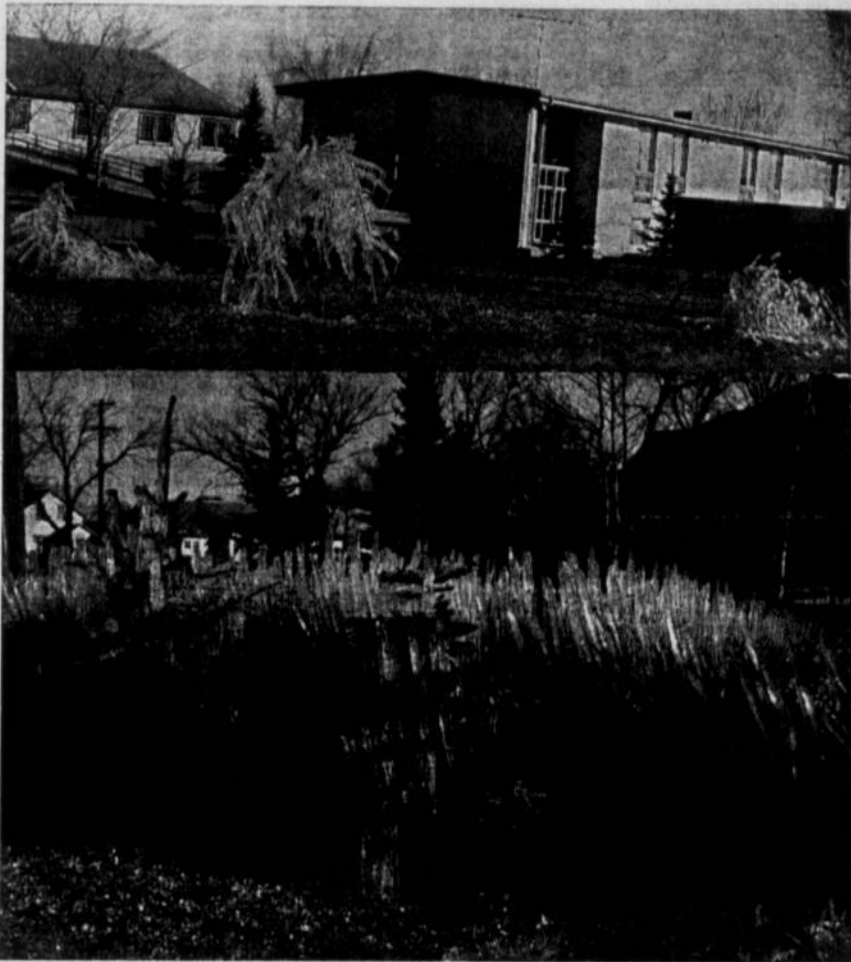

Bob Scott accompanied Don McCord to Vulcan on Wednesday to attend the Vulcan Fish & Game Association annual meeting. Glen Dahl was elected president.

### UNITED NATION PILGRIMAGE FOR YOUTH MEETING

Mrs. Don McCord accompanied other members of Rose Leaf Rebekah Lodge and Milo IOOF Lodge No. 154 to Blackie on Thursday evening to attend a United Nation Pilgrimage for Youth meeting.

The second place student this year will receive a \$50 Bond instead of a trip to the United Nation Seminar at Banff School of Fine Arts. The age limit to enter this contest is that a student must be 16 years of age and not over 18 years of age by Aug. 1. This will include many Grade X students as well as Grade XI.

The Seminar to Banff is at University level and the general feeling that many students would not be prepared for an advanced course at such a level. This was the reason for the second place award.

A couple of local chaps forgot to turn off the water one cool night last week and the above pictures are the results. The top picture shows three trees at the Municipal Hospital covered with ice. While the picture was being taken the two trees on the ends snapped with the weight. The lower picture of the front yard of a neighbor across the road shows the hedge and spruce trees covered with ice.

### Local D.A. Can Take Orders for Free Trees For 1963

The distribution of 400 low and 800 high growing fruit bundles will be an additional feature to the Alberta Department of Agriculture's Tree Planting Program in 1963. Since it is a case of first come first served, farmers should get their orders in immediately for these and other free trees, supplied by the government at Brooks and Oliver.

The low growing fruit bundles contain 50 shrubs made up of equal numbers of sandcherries, Nanking cherries, bushcherries, ground cherries and flowering currants.

The tall bundles consist of 80 shrubs, contain equal numbers of pin cherries, Nanking cherries, highbush cranberries, Canada Plumb, Apricots, Japanese plums, Black cherries and Hawthorns. Among the trees and shrubs supplied annually by the nurseries are Spruce, Maples, Ash, Elms, Caragana, Colorado Spruce, Wil-

lows, Honeysuckles and Lilac area, trees planted at the same distances as you see under foresting bundles, each containing 50 many years. Planting trees too close together soon stops machinery from going between the rows and grass will flourish. The light intensity is such that close planting will not eliminate the grass.

Remember, when planning a future shelterbelt, think of what it will look like when the trees are grown up to near their full size. Now is the time of year to order. Step off the area to be planted and come into the office so that field machinery to pass through. And enough room means less competition for moisture. In this out.

When planning an area to summerfallow for trees a year from now, be sure to leave enough room! Sixteen to twenty feet between rows will ensure space for field machinery to pass through. And enough room means less competition for moisture. In this out.

At all clinics, Polio Vaccination will be given to all persons wishing it.

## — ADULT POLIO BOOSTERS —

All adults who received the first three injections of poliomyelitis vaccine prior to and during the year 1958 are now due for their booster injection. These may be had free of charge at any of our Well Baby Clinics.

These well-baby clinics are held for the purpose of weighing and measuring infants and toddlers, and discussing any problems with parents regarding feeding, training and general care. Your child should be immunized at the following times: Starting at three months of age, a series of four doses, three at monthly intervals and the fourth, six months later, of the combined vaccine containing diphtheria, whooping cough, tetanus and polio (D.P.T. Polio). A booster dose of the above vaccine should be given at three years of age. A further booster, Diphtheria, Tetanus and Polio (D.T. Polio) should be given prior to school entrance.

Smallpox vaccination should be started any time after three months of age and before the child is one year old with revaccination taking place every fifth year thereafter. There is no charge at these clinics which are a service of the Foothills Health Unit.

The three winners of the Canadian Schenley Football Awards for 1962 hold the coveted trophy which went this year to George Dixon (centre), fullback with the Montreal Alouettes. Dixon was named Most Outstanding Player; Harvey Wylie (left), defensive half with Calgary Stampede, was selected Canadian Player of the Year; and John Barrow (right), defensive tackle with Hamilton Tiger-Cats, was picked as Lineman of the Year.

### THURBER — STEVENSON

In the Blackie United Church on Nov. 9, 1962, at 4:00 p.m., Miss Lois Marie Stevenson became the bride of Robert Bruce Thurber. Rev. Charles MacNutt officiated. Church decorations were of seed carnations.

The bride is the only daughter of Mr. and Mrs. Arthur M. Stevenson and the groom is the eldest son of Mr. and Mrs. Clayton Thurber, all of Blackie.

The bride, given in marriage by her father, wore a floor-length gown of lace with fitted bodice, rounded neckline and lily-point sleeves. The full skirt featured rosette trim at the waist forming a v in the back. Her bouffant veil was held in place by a mother of pearl tiara. The bridal bouquet was of red sweetheart roses with trailing rose buds and topped a white Bible.

Attendants were Miss Faye Eamora and Miss Selma Groeneveld who wore gowns of white chiffon with red sashes. Their headresses were of red net veiling over red roses. Their accessories were in red and their flowers were red carnations. The flower girl, little Becky Young of Nanton, cousin of the bride, wore a short dress of red chiffon with white bow trim.

Best men were Barrie Thurber and Don Thurber, brother and cousin of the groom. Ushers were Wayne Thurber, cousin and John Jeffery.

Organist was Mrs. John Montgomery and soloist was Mrs. James Andersen.

The reception was held in the IOOF Hall for about 100 guests. Receiving guests were the couple's parents. The bride's mother chose a mauve and green floral dress with beige accessories and her corsage was of yellow roses. The groom's mother chose a blue and grey floral dress with blue accessories and her corsage was of pink roses. The toast to the bride was proposed by J. D. Eamora and the toast to the bridesmaids by Barrie Thurber.

Following the reception a dance was held in the Gladys Ridge Community Hall with music by Thurbars. Guests were from Saskatchewan, Bow Island, Lethbridge, Calgary, Three Hills, Nanton, High River, Brant and Blackie.

The couple spent their honeymoon in Vancouver and Victoria, visiting relatives and friends and have taken up residence in their home in Arrowwood.

### INDIAN HEAD AND SUTHERLAND

## FOREST NURSERY STATIONS TRANSFERRED TO PFRA

REGINA. — Announced recently by the Hon. Alvin Hamilton, Minister of Agriculture, was the transfer of the Forest Nursery Stations at Indian Head and Sutherland in Saskatchewan, from the Research Branch to the Prairie Farm Rehabilitation Administration. This is the most recent in a series of administrative moves designed to streamline and improve efficiency of operations within the Canada Department of Agriculture.

Involved in this transfer will be the staff of approximately 90 research officers, technicians, clerical personnel and labourers attached to the two stations, 52 of whom are located at Indian Head, the remainder at Sutherland.

Operated for more than half a century, the purpose of the stations has been to encourage the wider use of trees throughout the otherwise treeless prairie area by way of the production and free distribution of suitable tree seedlings for farm and field shelterbelts. Since initiation of this program, the combined distribution of seedlings from the two stations has exceeded 300 million trees. In addition, the stations have played a leading role in establishing and promoting basic programs of tree culture throughout the prairie region, as well as being a major source of information for farmers, on questions concerning tree disease, insects, herbicides and other tree care problems.

Under the PFRA the plan will be to increase and extend the services already being provided by the stations through the development of improved handling and storage facilities, and use of PFRA field services to facilitate and extend the field distribution and advisory services required under an expanded program of tree planting. It is hoped in this way to increase tree distribution from a present rate of three to eight million trees, to 20 million trees annually. This number will be necessary in order to meet growing farm demands for tree shelterbelts and anticipated requirements for tree distribution on soil and water conservation, wildlife and agro-recreational projects sponsored under the ARDA program.

... IF YOU TAKE THESE THREE TIPS FROM SANTA CLAUS

### TIP ONE—

You can solve the problem quickly ... and inexpensively ... when it comes to choosing the RIGHT gift for relatives and friends, who pride themselves on keeping well informed. A subscription to the Vulcan Advocate is a gift they'll cherish ... more than anything you could choose this year.

### TIP TWO—

When you give a gift of a year's subscription ... or more ... you'll know it's a gift that's sure to please. It's easy too. Just mail your name and the name of the person to whom you want the paper sent, and we'll do the rest. We will see that an attractive gift card is sent, and that the paper is sent every week for a year, beginning at Christmas time.

### TIP THREE—

Whether it's your Sister, Sweetheart or Mom or Mother-in-law, send the Advocate. There just is not another way to bring so much pleasure for a whole year.

## Alberta Junior Citizen Award Winner

### BEVERLY THIRSK

Kelsey, Alberta

A muffled cry for help interrupted the quiet of the hot summer's day. Six-year-old Beverly had been playing with her dolls. She had not seen her two-year-old brother for a few minutes.

Now, the cry for help sent her rushing in the direction of the pumphouse. When she went in the door she saw her little brother lying unconscious on a mat beside the pump.

With great presence of mind, Beverly ran to the motor ... turned off the switch and ran into the house for help.

Later, after the doctor had arrived the story was pieced together. When the little boy had gone into the pumphouse for a drink of water, he had climbed up to turn the motor on. He slipped and fell — touched the motor and received an electrical shock due to faulty wiring.

The little boy has fully recovered and all was well. But Mr. and Mrs. James Thirsk are truly thankful for their small daughter's quick action.

To such a little girl, with such a big share of perception, we and Alberta's weekly newspapers say: "Congratulations, Beverly!"

This is one of six announcements about the 1961-1962 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledge the active participation of Alberta's weekly newspaper editors, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible.
